

DELTA DENTAL INSURANCE DHMO General Information

The HP Retirees Club in the Bay Area has negotiated an insurance plan (DeltaCare USA - DHMO) with Delta Dental for their current members residing in California. They have extended this offer to our Club SoCal members as well. Those who wish to take advantage of this must maintain membership in our club and be living in California.

Neither HP nor the HP Retiree Clubs have any responsibilities or liabilities regarding this insurance. This plan is NOT administered by the HP or the clubs; it is administered by Delta Dental of California.

Should you choose to participate, send an email to hprcsc@gmail.com with DENTAL PLAN as the subject. The club liaison will respond with the enrollment form and instructions on how proceed. Once you are signed up, all interactions will be between you and Delta Dental.

Note that plan this is a DHMO so you will need to use professionals from within the plan. Not all dentists who accept Delta Dental Insurance accept DeltaCare USA plans, so be sure to confirm that you are satisfied with the selection of dentists before signing up.
